TEMPERATURE

0-2°C (32-36°F)

For long storage

GOOD

BAD

Storage/Display

- Sensitive to ethylene; keep away from moderate to high ethylene producing fruits/vegetables
- Separate from heavier items
- Storage temperatures should be cool; can be kept at room temperature for display

Handling

- Kiwis bruise easily; handle carefully
- Do not drop, toss or roll

Basic Info

- Kiwis develop soft spots easily; discard those with broken skins
- Look for uniform shape and color
